Join us for a fun family event at the Taste of CAMS. Check out some student projects, enjoy student presentations from our Orchestra, Chorus, Dance and Drama students and see some impressive Robotics demonstrations. We will have a food court with “Tastes” from many area restaurants for only $1 per sample, and a Silent Auction and Raffle featuring items from our local businesses.

We need a lot of volunteers to help make this event a success! We need some leaders to help organize the event and we will need a lot of people to help run it. Student volunteers will be needed to help work the food court, set up the booths, make and post signs, and clean up at the end. Students who sign in and out will get community service hours. Parents are needed to oversee each of the booths and keep the food court organized.

Student performers need to sign up with Dr. Nachef, Ms. MacVay, or Mrs. King. Student projects are needed to display at the event. If you have a Science project, History display, Art project, Museum entry, video or website that you can have available for the event, please let Mr. Almeida know and get it to him by Thursday, October 8.

This year we are going to donate 25% of the profits from the food court to each of the classes. We need each class to take responsibility for set up, service and cleanup of one of the food sections: Asian, American, Mexican or Italian. We need at least one parent for each class to help organize the sign ups and make sure that their section is ready to serve by 6 pm. If you can help, please contact Cathy Arakaki at CAMSFUND@live.com or call 310-795-6368.

Help make this the best Taste of CAMS yet!
