**Who’s Who --- Ami Nishiyama**

Japanese Language, Drawing & Painting Teacher

I have been teaching at CAMS since 2003-2004 school year. Before coming to CAMS, I was a substitute teacher for the LBUSD and ABC USD. I am very fortunate to teach at CAMS. Students and staff are amazingly kind people. I appreciate the positive atmosphere of CAMS.

I was born and raised in Tokyo, Japan. I came to Southern California to learn English during my late teen. I attended CSULB for my bachelor's degree in General Art and earned my teaching credential in LOTE (Language Other Than English). I continued my education to earn Master’s in Education through Grand Canyon University. I enjoy outdoor activities such as long board surfing, skiing, hiking, & traveling.

**Vex Robotics**

Two teams qualified for the State Tournament and they will be competing this February 13 and 14; they are 687A and 687 B. Team 687B is focused on World competition! They built a new robot over the winter break and are determined to take it all the way to Kentucky. Team 687A is aiming for the US Open Robotics Competition in Iowa in April. They hope to qualify for the Summer Games in July. Go Teams 687A and 687B!

**February Fundraiser**

Save the date! On Thursday, February 12th we will be having a fundraiser at the Comedy & Magic Club in Hermosa Beach. It's a fun night out and a great idea for a Valentine's date. Look for the flyer in your student’s backpack the week of January 20th. Must be 18 years old to attend.

**Winter Fundraiser**

Profit totals exceeded $1000. PTSO splits the profit 50/50 with the students’ designated classes/clubs. We still need to finalize the spreadsheet and have it audited before the profit values are verified and can be distributed. Thanks for participating!
