Dear CAMS Parents,

- PSAT Testing will take place on **Wednesday, October 16, 2013**. All 9th, 10th, and 11th grade students will be tested on this date. Students are tested in Critical Reading, Mathematics, and Writing Skills. Students are allowed to use their own calculators on the mathematics portion of the test. Testing will begin **promptly at 8:30a.m.** Please make sure that your child gets a good night’s sleep, eat a good breakfast, and is present at school.

- Please assist us by assuring that your child is not in violation of school and district policies.
  - To avoid classroom disruptions and the possible loss of personal property, cell phones may not be used during school hours. They should be kept out of sight at all times **including testing**.
  - 9th and 10th grade students may not leave the CAMS campus during school hours. Lunch must be brought from home or purchased from the CAMS dining service.
  - 11th grade students may leave campus during school hours ONLY if they are in possession of a current End-of-Class pass. Passes are only given with parent and administrative approval. 11th grade students may also leave to attend their approved university classes.
  - 12th grade students are allowed to leave campus ONLY if they are in possession of a current Off-Campus lunch pass, an End-of-Class pass, or attending university classes.

Please do not drop off your student in Lot 7 due to traffic congestions and the safety of our students and pedestrians. You may drop off in lot 4. If you would like to avoid crowding in parking lot 4 during student drop-off in the mornings, you may use lower lot 4 which is normally empty. There are stairs that lead directly to our campus with complete sidewalks which prevents our students from walking through the parking lots.

Thanks for your continued support of our students and our program.

Sincerely,

Chris Brown
Principal
