CAMS PTSO wishes to honor graduating CAMS students, alumnae, staff and supporters by paving a walkway with their names. Those who visit CAMS will see their names on the walkways and recall wonderful memories of friendship, discovery and accomplishment.

Your purchase of an engraved brick, personalized with your name and the year of your graduation will signify your lasting involvement in the CAMS legacy. The bricks will be engraved in the walkway under the flagpole in front of the administration building.

Each brick is to be engraved with one or two names with a maximum of 20 characters per line and include a line with the year of graduation.

Minimum donation of $100
