California Academy of Mathematics and Science is offering a 2014 Summer Enrichment Program for VEX Robotics

Explore the exciting world of robotics!

The award winning CAMS Robotics team is now offering a choice of two week-long summer sessions on the campus of California State University, Dominguez Hills. Students will learn the basics of robotics design, build a robot, and join in a robotics competition that parents can watch. Geared for grades 5 – 8.

**Session 1: June 16 – 20  Session 2: June 23 – 27**

Hours: 9 AM – 4 PM Monday- Thursday, 9 AM – 5 PM Friday

Cost: $250 per student per session
To register: email Nancy Brown njbrown@lbschools.net

This event is a fund-raiser for CAMS PTSO

Location: Drop off in Parking lot 7. Enter CAMS campus and check in at the table in front of the office.
- Parents must sign students in and out each day.
- Students should dress in school-appropriate attire.
