The Youth Leadership Long Beach program is a unique opportunity for 30+ area high school students to join with emerging youth leaders from other schools to experience a community leadership program based on principled leadership. The eight-month program is focused around community issues (government, local industries) and sessions are centered around our core leadership principles.

Program Goals:

1. Develop a base of high school students who will take leadership roles in addressing civic and ethical issues confronting themselves, their peers, and their community.
2. Empower Youth to serve as community trustees by learning the importance of solving community issues through personal responsibility, teamwork, and principled leadership.

Integrity • Teamwork • Respect • Values • Compassion • Accountability • Vision • Personal Responsibility
Ethics • Commitment • Courage • Congruence • Service • Trusteeship
